6-month Internship

WHY HERE & WHY NOW?

18-25

You are 18-25 years old and looking for an opportunity to grow in the following areas:

Grow as a disciple of Jesus - deepening your relationship with him and understanding more of who he has created you to be.

Participate in the mission of God - increasing your understanding of what God is up to in the world and growing in cultural aptitude.

Discern God's direction - discovering how God is inviting you to join him in what he is doing in Canada and around the world.

Month
1-2

ORIENTATION & CULTURE FOCUS

We will help you settle into life in Mexico as you begin to learn Spanish and get acquainted with Mexican culture. You will gain skills in cultural intelligence and spend time weekly with your Mexican Booster Family - who will love you as you learn.

Month
3-5

SERVING & GROWING

You will continue to learn Spanish and Mexican culture but the focus here shifts to gaining hands-on experience as you serve alongside one of our ministry partners. Your Ministry Coach will support you as you grow and discover more about how God has wired you.
